

"Coll Community Council would like to respectfully point out that this public event is not a consultation. The MOWI fish farming company has been invited simply to give a presentation of their work, as requested by some members of our community. MOWI have no definitive proposals for Coll but can provide information on their fish farm operations off Muck, Rum, Colonsay and Sanda."

Isle of Coll Community Engagement Meeting

An Cridhe, Community Centre, Isle of Coll
