Plana Àite Ionadail Eilean Cholla Isle of Coll Local Place Plan

Coll's Local Place Plan is almost ready to be submitted to A&B Council. As required by the validation process copies have been sent to our A&B Ward Councillors as well as community councils in our ward (Tiree, Mull, Iona and Oban) for feedback.

From Saturday 20th June until Monday 6th July copies will be available for members of the community to look at on the Coll Community Council website: <https://collcommunitycouncil.org.uk/>
A paper copy will also be available in An Cridhe. There are two parts - the plan itself, and copies of supporting documents.

Feedback from the community is welcomed and can be emailed to the secretary@collcommunitycouncil.org.uk or written on one of the slips provided at An Cridhe and posted in the box labelled "Local Place Plan Feedback".

Please note - all feedback will be collated, anonymised and added to the supporting documents to be submitted with the Local Place Plan. You can find a copy of Coll Community Council's Privacy Policy on our website or can email the secretary using the email address above.
